About the Institution

Skill and knowledge are the driving force of economic growth and social development for any country. Countries with higher and better levels of skills adjust more effectively to the challenges and opportunities of world. KIIT ITI, a leading skill training institute of Odisha under KIIT Group of Institutions is consistently producing professional skill technicians towards nation building ever since its establishment in 1992. During its glorious journey of 28 years, it has produced around 5000 skilled technicians in different trades now working in different industries of national and international repute. The institute is accredited by Quality Council of India (QCI) for its excellence in the academics. The reputed industries like Rourkela Steel Plant (RSP), MCL, NALCO, HINDALCO, etc. are preferring to train their unskilled workers at this institute looking at its industry standard education system. The institute provides not only the skill platform to the students for their all around personality development which makes them prominent in their class and successful in their carrier.
